

Take a Stand Against Child Abuse

Tips for Running a Successful Stand

- ❗ Plan your Stand - A traditional front yard lemonade stand can be as simple as a table, sign, and lemonade. The front yard stand might not be right for everyone, however. You can be very creative with this idea and hold lemonade stands after church, at preschool, at a business - the sky's the limit! Just make sure to get permission in advance. The most important thing is that as a family you spend time together helping other families less fortunate.
- ❗ Pick a date for your stand and gather all of the necessary supplies.
- ❗ Ask an adult to help you figure out your cost per lemonade and to set your price. Get a little bit of start up cash to use to make change. The denominations that you need will vary depending on the price you set. Find a good container to hold your money during the sale.
- ❗ Review the Parent Place Fact Sheet to become familiar with your cause and the work that the Parent Place does in our community.
- ❗ Never operate a lemonade stand alone. Ask your parents or another adult to supervise your stand.
- ❗ After your event, complete the process by sending the proceeds from your stand to the Parent Place. Use the profits worksheet to simplify the calculations. If you have any photos of your stand, send them along too. We would love to see how it turned out!
